Ergonomic Commercial Furniture Solution

GO GREEN

COMPANY PROFILE

Duroplast Furniture Systems Pvt. Ltd. ventured into modular furniture production, & marketing since 2006. We bring a range of modular & metal office furniture, aluminum & glass partition, file storage, meeting conference tables, reception etc. We also customize home and commercial/ institutional furniture. As one of the most experienced and innovative modular furniture production companies in Kolkata, Duroplast enjoys a history of innovation and technology.

Duroplast is one such company which has followed latest trends in modular furniture and is always one step ahead in innovation and quality consciousness. The company believes in providing world class standard in its furniture range while reducing the production process as compared to conventional furniture with the use of standard machinery. A team of experienced professionals is always engaged in R & D of such furniture.

The company is presently having 20,000 sq. ft. manufacturing facility in Kolkata equipped with all the latest machineries. We at Duroplast are committed to retain our excellence in our range and service with utmost focus on customer satisfaction.
